

School PE / Sports Funding Summer 2018

This year for 2018/2019 we will receive £17,000.00 to raise the standard of PE provision in school. There is a carry forward too of £3586.00 from 2017/18. The money is used to achieve the targets below.

- Provide existing staff with training or resources to help them teach PE and Sport more effectively.

- Introduce new sports /activities offered including and encourage more pupils to take up sport
New and continued clubs / sports offered including circuits, football, jujitsu, badminton, cheerleading, girls football, athletics, cricket/rounders, dance & Eco/Healthy Living.

- Support and involve the least active children by running or extending school sports clubs / curriculum sessions
A variety of sports clubs are on offer for all age groups to increase our levels of participation. Children are also encouraged to join in with activities at play and lunch times. Work on building the MUGA started in September 2017 and 90% was paid at the end of the Autumn term and 10% withheld until final works are completed. These are still outstanding, though a meeting is arranged for the 26th April.

- Run sports competitions / Tournaments
Wyre and Fylde Sports Partnership subscription - £865.00
Children have been involved in many tournaments and competitions, which is fabulous, and these are always show cased in our weekly school newsletter.

- Increase pupils' participation
Coaching within school is used to inspire our pupils to actively want to participate in more school based clubs. These are promoted through assemblies, on the website, in the newsletter, separate letters and class teachers discussing options available with their class.

Total - £3,947.60
